

Telluride, CO - 2025

Trip Agreement

Code of Conduct and Liability

This document is governed by Triple Cities Ski Club (the "Club" or "TCSC").

All trip participants must be TCSC or Eastern PA Ski Council on the date of registration and as well as during the trip dates (with confirmation by the trip leader). TCSC members will have the first opportunity to register for the trip. Members reserve a space by submitting their electronic reservation via the TCSC website and paying the required deposit. Reservations are accepted on a first come, first served basis until the trip is filled, after which a waiting list will be maintained by the trip leaders until trip departure.

In the event of a trip participant cancellation, a person on the waiting list has priority over any other replacement.

Cancellations by trip participants are subject to the refund policy set forth below.

Full payment is required no later than **Oct 3, 2024**, to TCSC. If not received as specified, participant risks losing their place on the trip and will be treated as having cancelled.

While unlikely, the trip leaders reserve the right to change the trip price if necessary. Price adjustments apply to all trip participants and are subject to the conditions in the refund policy set forth below.

The Club reserves the right to cancel the trip at any time. If canceled, monies paid by participants will be refunded subject to contract Terms & Conditions with the tour company. Monies refunded to the Club may be disbursed to participants.

Trip participants must be of legal New York State drinking age to be eligible for this trip.

Participants are completely and individually responsible for their own actions and/or inactions on the trip, and bear solely the burden of all liability incurred therefrom.

Trip participants must refer any issues or problems on this trip related to suppliers or other service providers to the trip leaders and not interfere with the authority of the trip leaders.

It is understood and agreed that the club shall not be held responsible for any change in trip plans due to weather or unforeseen problems by the supplier of services. Trip insurance is strongly recommended.

Trip participants are required to act in a respectful way towards other trip participants and other people that are encountered on the trip. The behavior of each trip participant reflects upon the Club as a whole. Drunk, disorderly, abusive, or even unfriendly conduct adversely affects the other participant's ability to enjoy the trip and will not be tolerated. If the participant fails to abide by these rules, they risk being banned from future Club trips.

The Trip participant must assume the primary responsibility for his/her own health and welfare.

It is the participant's responsibility to seek, arrange and submit to medical treatment due to injury or illness. If the participant is unable to do so due to a medical condition or an incapacity, his/her emergency contact will be contacted to make arrangements for medical treatment.

Trip leaders cannot offer medical advice nor make medical decisions on behalf of the participant.

The trip leaders will review and decide on the disposition of any surplus funds, if any, existing at the conclusion of the trip caused by changes in expenses of the trip.

CANCELLATIONS/REFUND POLICY

Cancellations must be made in writing and may be made at any time prior to trip departure by notifying the trip leader in writing by email or by talking to the Trip Leader in person or over phone.

Failure to make payments according to the trip payment schedule may result in the replacement of the participant.

Trip spaces are the property of TCSC, and reservations are assigned to the names identified in the trip sign-up forms. The Club retains the sole authority to reassign cancelled spots to other members to maintain a fair and equitable wait list selection process. Trip participants may not sell, assign, or transfer their trip reservation.

Participants agree to comply with all requirements set forth by the trip leaders, tour companies, transportation companies and destination resorts. Failure on participants' part to comply with requirements, after the second request is attempted, may be grounds for removal from the trip. If you are removed from the trip, all monies (paid by said participant) may not be returned.

OTHER INFORMATION

- **Airline policies and fees.**

All Airline Baggage Fees are the responsibility of the trip participant.

Trip Participants are NOT ALLOWED to contact the airline to request seat changes and the trip leaders will not release seating assignments in advance. You could literally cancel the entire set of seats inadvertently! We will do our best to honor seating requests. However, some people will not be sitting together – do not change seats unless the flight attendant gives you permission.

Prices listed are based on a group package. Changes to the basic package may not be available and, if available, may be subject to a fee to preserve the integrity of the contract with the vendor, airline, lodging or other suppliers.

Trip participants are responsible to submit all required TSA information prior to airline ticketing or two months prior to the trip, whichever comes first. Failure to provide this information could result in the replacement of the participant. The trip leader will treat this information as private and confidential and will only be shared with the trip assistant leader and suppliers, when necessary. After a ticket is issued, the trip participant will be liable for any airline change fees and all unrecoverable expenses.

It is not the responsibility of TCSC to ensure the credit of any frequent flyer mileage to a traveler's account. This must be done by the traveler themselves. While TCSC's Agent may submit your frequent flyer number to the airline, ultimately it is the participant's responsibility to make sure the airline has it in its system.

Names for airline tickets MUST be identical to the first and last names on each participant's government issued ID (Driver's License or Passport) to be used at airport security. Passengers whose names do not match their ID may be denied boarding. Travel document requirements are subject to change without prior notification at the discretion of appropriate agencies or the air carrier. Trip Leaders are required to collect date of birth and gender of all passengers. Name changes/corrections made after ticketing will result in a significant fee plus any difference in fare.

- **Trip Insurance**

TCSC highly recommends participants obtain Trip Insurance. Trip insurance can cost 7.25% (or more) of the total cost of your trip and may be worth it if the trip is canceled, there is a weather delay or cancellation, you get sick or are injured while on the trip.

Links to trip insurance providers are on the Trip Flyer or you may pursue trip insurance independently. Please note the importance of trip insurance as this trip is totally nonrefundable

after January 24, 2025, and significant restrictions are placed on refunds after November 1, 2024. It is the responsibility of the participant to carefully review insurance policies and pick an appropriate policy.

- **Lift Tickets and Passes**

For this trip participants may choose to purchase traditional group lift tickets as part of the trip or independently purchase an Epic Pass or Epic Day passes.

Full Epic Pass purchases through ski.com using the link on the trip event page will receive a \$50.00 credit towards the price of the trip.

Participants who purchase a 5-day Epic Pass using the link on the trip event page will receive a \$30.0 credit toward the price of the trip

Only Full Epic passes and Epic Day passes of 4 or more days may be used at Telluride.

Epic Pass or Epic Day Pass users must make reservations to ski at Telluride.

It is solely the responsibility of the participant to purchase Epic passes. Any unused Epic passes are not the responsibility of the club. Please review Epic Pass policies and passes at the Epic website.

- **Payments**

Failure to make payments according to the trip payment schedule may result in the replacement of the participant. See trip flyer/event page on website for payment schedule.

Payments for this trip may be made by check (only), made out to TCSC. If you write a check to the Club and it bounces, then you must reimburse the Club for the bank fee that is imposed onto the Club. Your reservation, deposit and/or final payment will not be complete until the bank fee is paid. The Club Treasurer will notify you of the bank fee.

Trip Participants using a Land Only option, if applicable, may be responsible for their own ground transportation to and from the resort if their flight arrives or departs at a different time than the TCSC contracted flight. Space on Club buses can be used, if available, if the traveler is present before the bus departs (check with the trip leader.)

- **Rooming is based on double occupancy in the hotel rooms.**

Trip participants should notify the Trip Leaders of roommate and/or condo-mate preferences. Trip leaders will make every effort to accommodate requests for airline seating and condominium bedding configuration. However, we cannot guarantee any particular seats or bedding arrangements.

If a person signs up for the trip as a single and requests a roommate (with the goal of reserving a spot at the double occupancy rate), the Club will attempt to match the single person with a roommate of the same gender. If the Club is unable to find a roommate match by the trip's final payment due date, then the single person will be given the option of cancelling their reservation with a full refund or wait to see if another roommate can be found through other cancellations prior to departure. Under no circumstances would a single person for whom the Club cannot find a roommate be forced to pay a single surcharge or suffer any financial loss.

- **Smoking**

All airlines, ground transportation and lodging are non-smoking.

Nonsmokers may request nonsmoking roommates. Leaders will do their best to accommodate the request.
